Callers are reminded to limit their calls to the advertised program. Calls from a list other than advertised should not be used unless they are walked through or workshoped first. If conducting a PLUS workshop, use only PLUS calls. If conducting a workshop for PLUS Dancers who want more, workshop should be labeled appropriately.

NOTE: the Plus Program is understood to include more creative use of the Mainstream moves from other than standard positions. For this reason, CALLERLAB recommends that the Plus Program calls be taught in not less than nineteen sessions of two hours each (total 38 hours).

These lists are furnished through the courtesy of CALLERLAB and your local CALLERLAB callers. Permission is granted to reproduce this data provided the following notice is included "Reprinted with permission of CALLERLAB."

# CALLERLAB PROGRAMS

## BASIC – MAINSTREAM – PLUS

### Why Programs and Lists?

CALLERLAB programs define a world-wide standard of square dance calls to be taught in square dance classes or workshops. Program lists, such as this one, list the set of calls that may be called at a dance advertised to be a specific dance program i.e., Basic, Mainstream, Plus, etc. Dance promoters are encouraged to list the program to be danced on flyers, brochures and other advertisements of open dances. Dancers should refer to the program designations to seek out dances that will consist of material with which they are familiar. Program lists are used by callers in programming an appropriate dance for a specific group of dancers. Including the desired program in the caller's confirmation agreement will provide programming guidance to the caller as well as protection for the sponsoring organization.

The program(s) are not intended to segregate dancers into exclusive groups or to indicate that one who chooses to dance at his or her own preferred program is any better, or any worse, than any other dancer. Dancing skill can be achieved at many programs, and the quantity of calls is not necessarily an indication of dancer proficiency. It is hoped that the program lists will be used to aid in a logical teaching progression and thorough coverage of basics in classes and to provide an enjoyable modern square dance for dancers of all inclinations. In addition, CALLERLAB's intent is that approved styling and timing of square dance movements will be an integral part of all classes and dance programs. It is also hoped that proper teaching, including timing and styling, will result in smooth dancing for the greater enjoyment of all.

### What Next?

Responsible leaders, within and outside of CALLERLAB, recommend that dancers dance regularly at the program at which they graduate for at least one (1) year before they enter into classes or workshops for another program. This means that dancers graduating from the Mainstream Program should dance regularly at Mainstream dances for a year before going into the Plus Program. Graduates from the Plus Program should dance regularly at Plus dances for a year before going into an Advanced Program, etc.

There should be no pressure put on dancers to move from one program to another once they have graduated. Dancers should be encouraged to take their time, enjoy the fun and fellowship and learn to dance well at that program before moving on to another program.

### What About Periodic Selections?

Dancers are not required to know the Periodic Selections in order to attend an advertised Mainstream or Plus dance. Periodic Selections are not part of the Basic and Mainstream or Plus Programs. They are provided as optional material for those callers and/or clubs that wish to include a workshop in their programs. Callers are reminded that Periodic Selections should not be used unless they are walked through or workshopped first.
